

- What are “Views”?

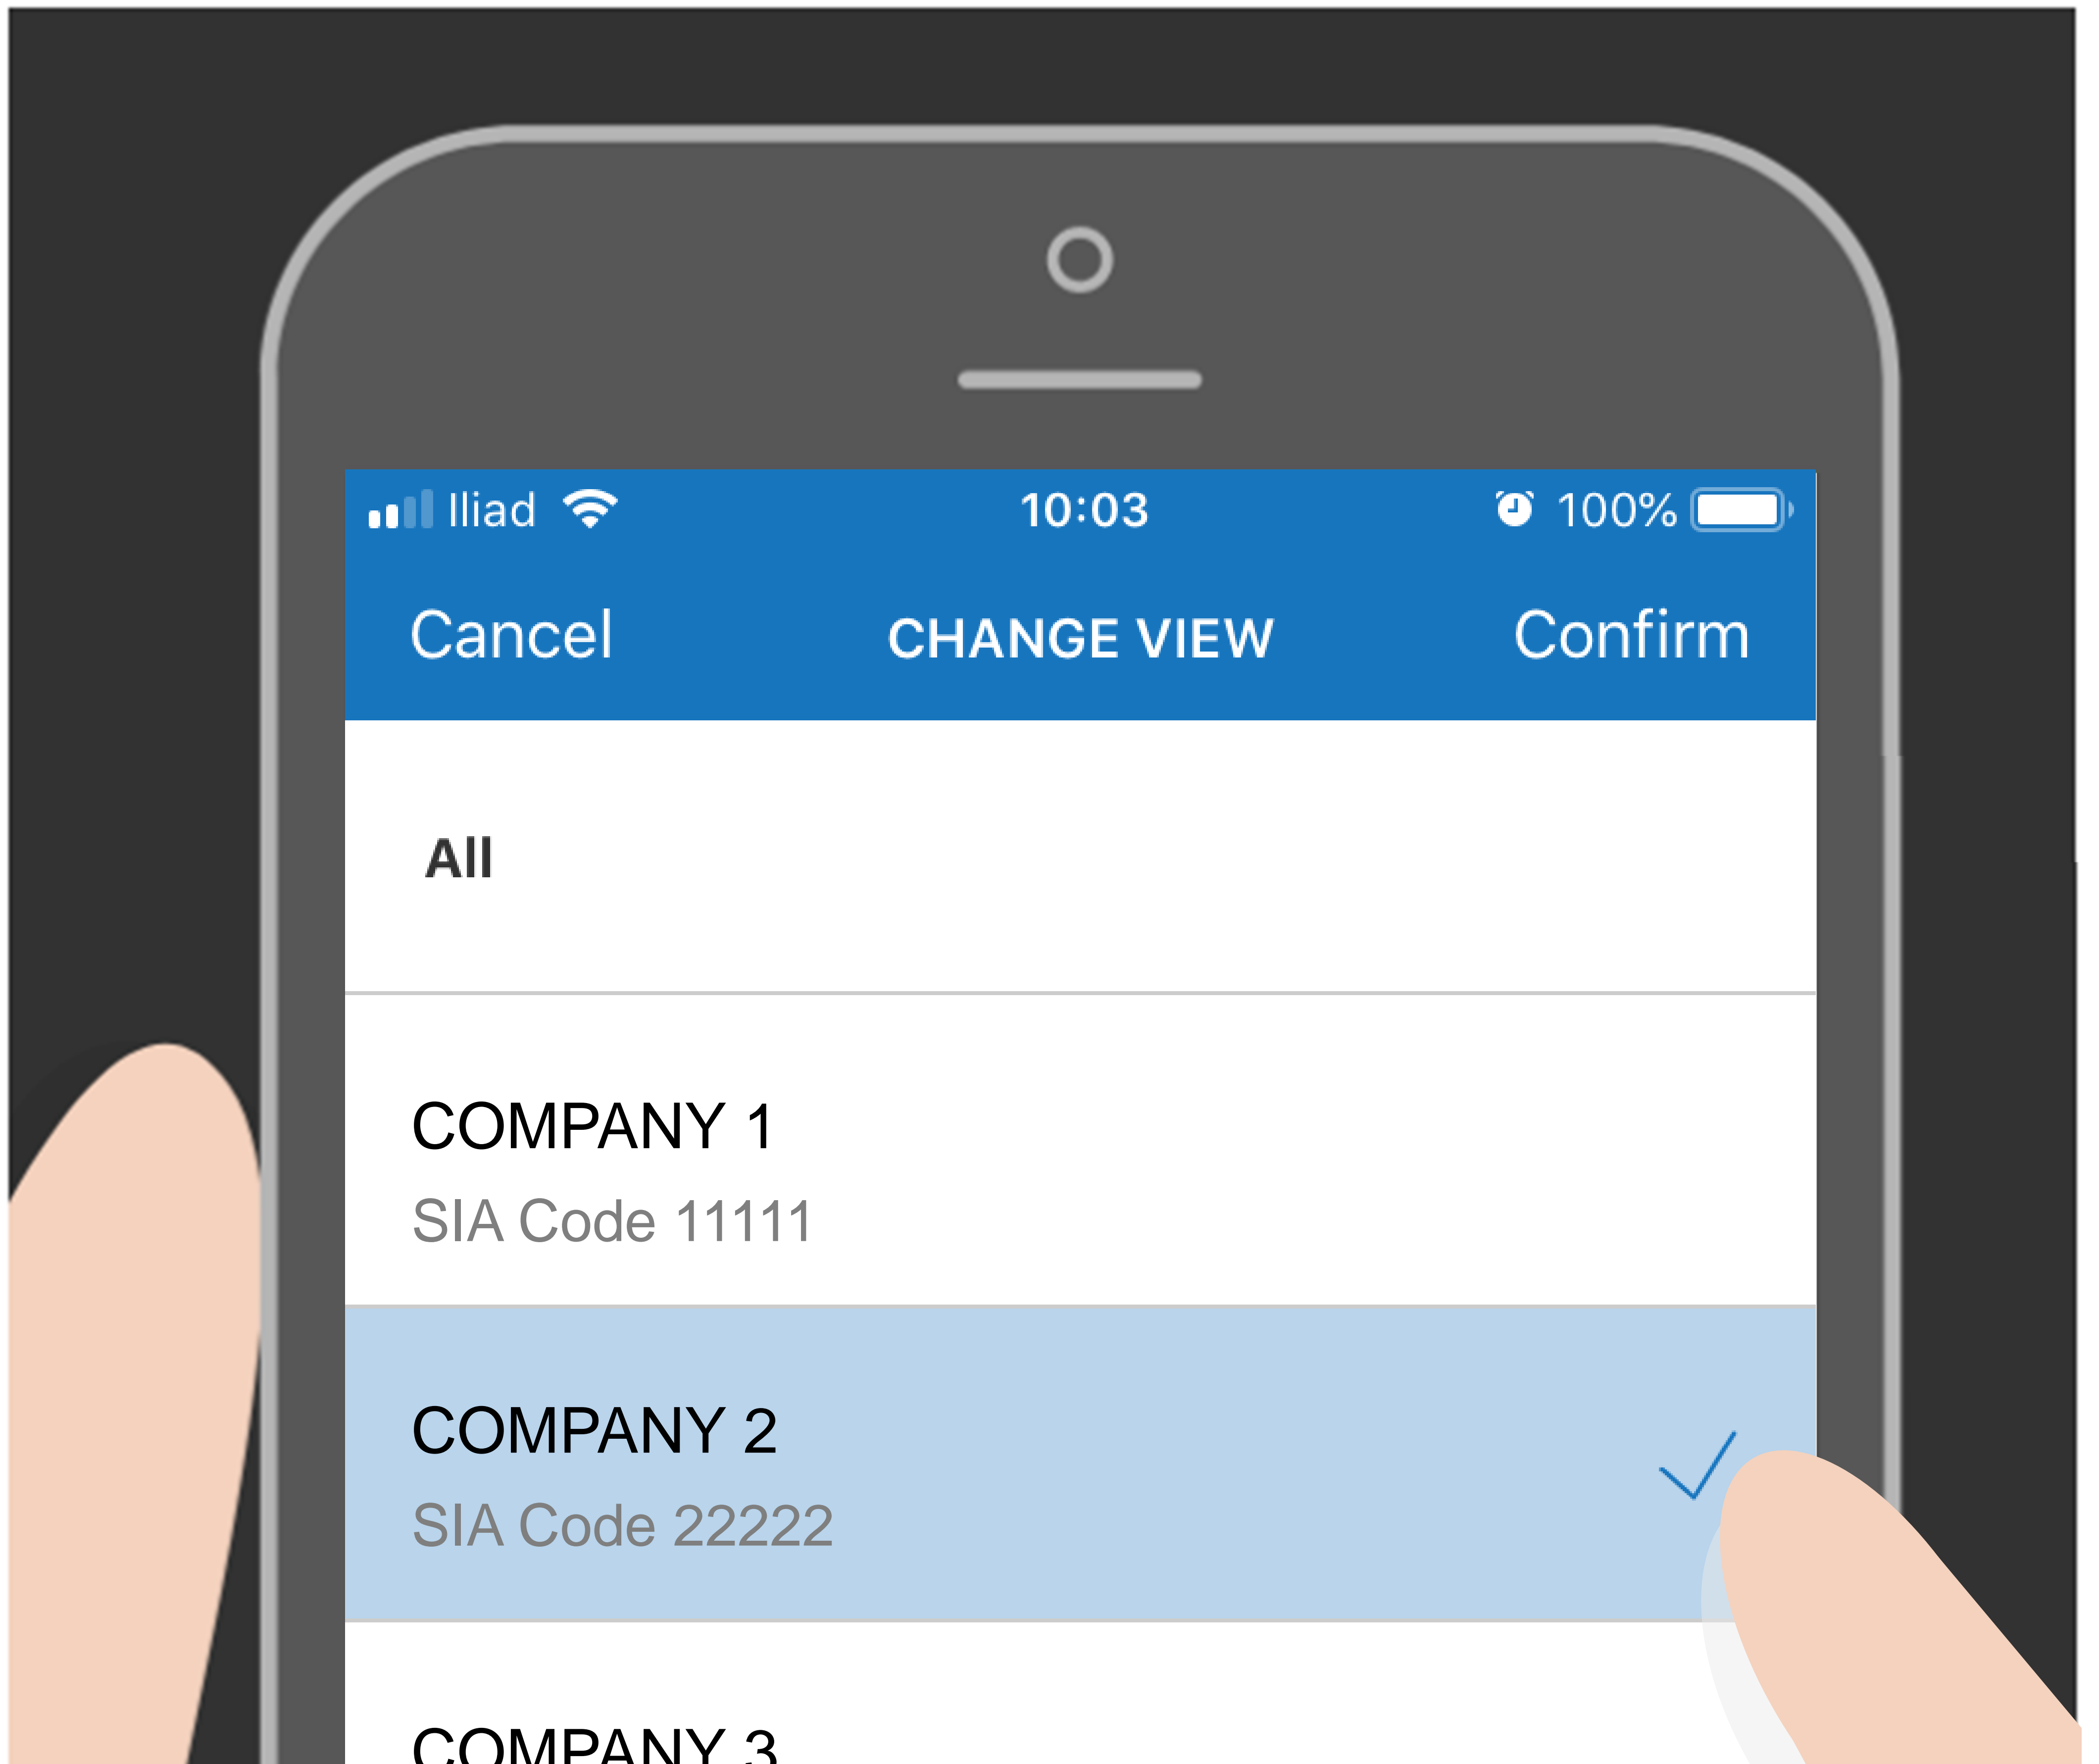

If you are enabled for more than one company, the accounts are grouped in "Views"; you can select a specific one or “All” through the "CHANGE VIEW" icon.

- “Views” list

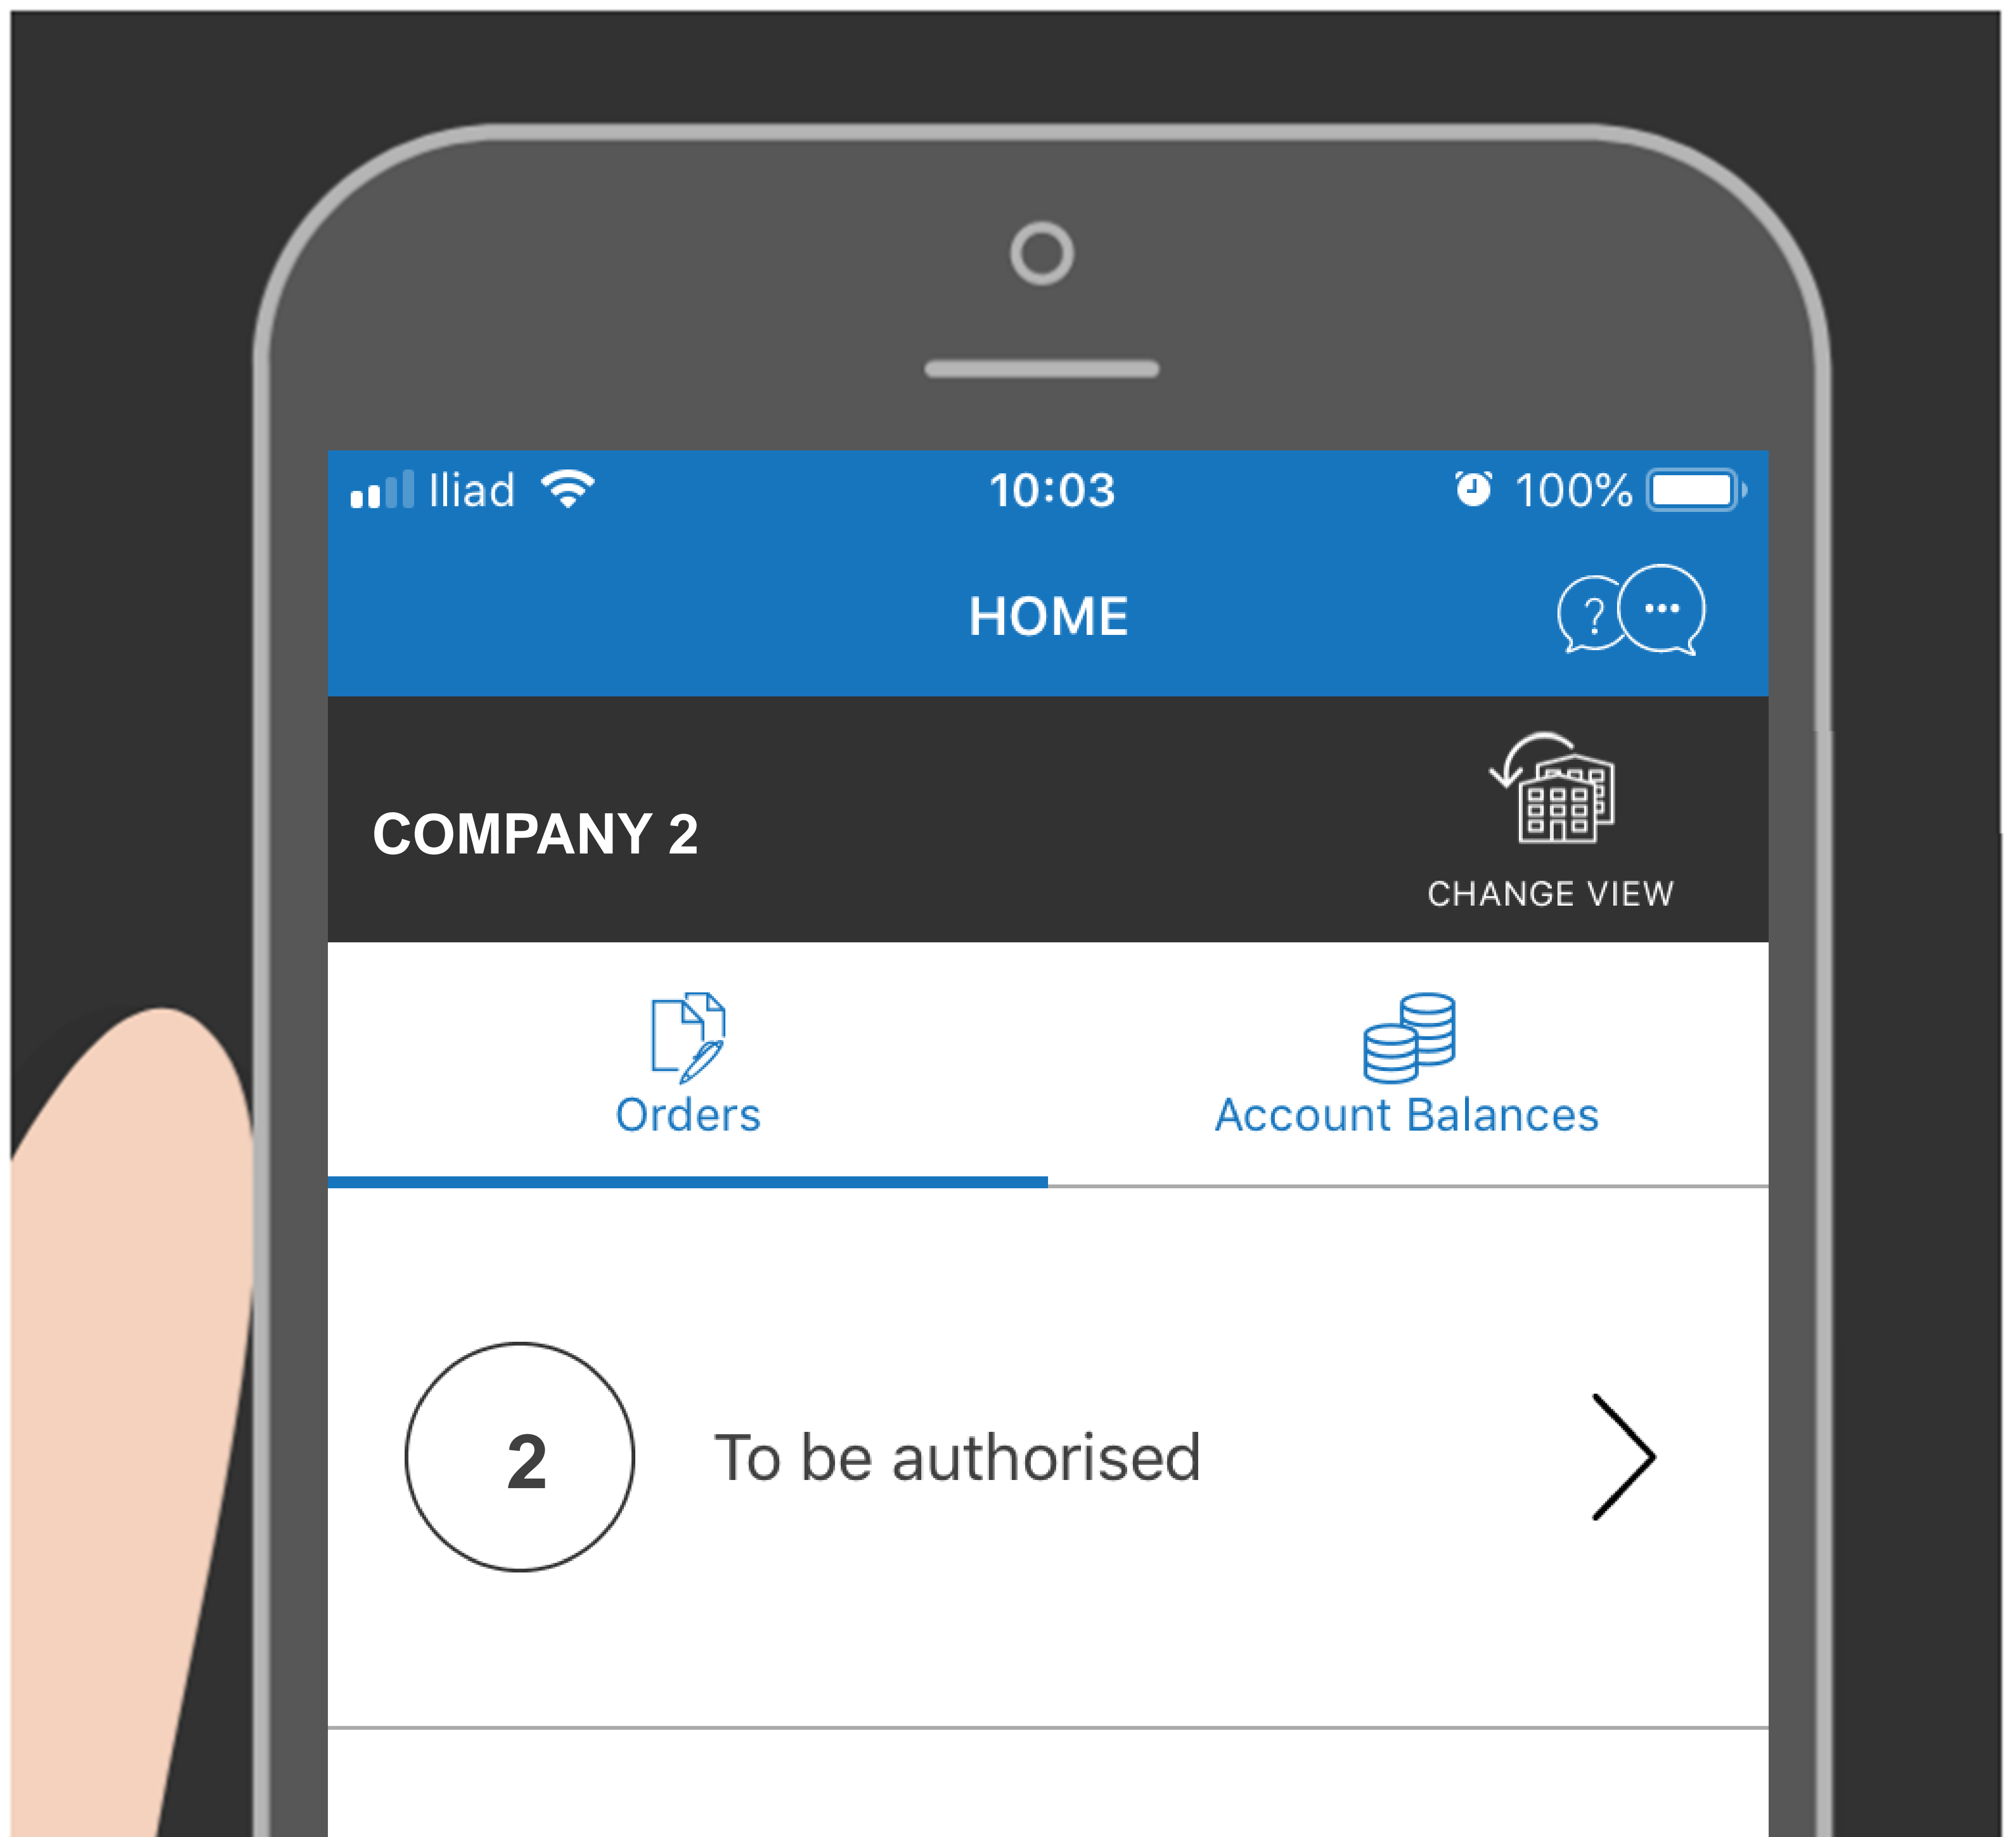

All the accounts in the name of a company are grouped in a "view"; by choosing "All" you can view all the companies.

- Selecting a company

To view only one company, select it and “Confirm”.

- Viewing a single company

The selected company is displayed on the Home Page.
